(42)

1. Opening of meeting

The Grand Master, Supot, welcomed everybody and opened the meeting at 15:01.

2. Agenda

The preliminary Agenda was approved.

3. Last year's meeting

Hon Sec read parts of last year's meeting notes.

4. Economy

a. Financial result 2017

Hash Cash Floppy Dick presented the financial results. Last year we made a surplus of 80k peso. We have a total of 375k peso in cash and in the bank. But there has been a decrease in cash since the reduction of run fees for men.

b. Hash fees 2018

It was decided to keep the fees 300 for men, 150 for women and 100 for kids. Hash Cash will monitor our cash funds and if they go under 275k we will reconsider the fees and let the hash vote on the alternatives.

5. Trail Master's report

Trail Master Kaput had not realized he was supposed to leave a report under this point. His report was postponed to Sunday's hash.

6. Run times

We need different run times for two reasons; it's really hot in the summer months and it gets dark earlier during winter months.

The meeting decided that the run times were to be 14:00 in the months of October, November and December. The remaining months Jeepneys will leave Premiere at 15:00.

7. Election of officials.

a. Grand Master – Supot

b. Hash Cash – Floppy Dick with assistance from Haystack, See More Stains, Soggy Butt, Kentucky Fried Fuckhead and Paparazzi

c. Hon Sec – Vendor Bender

d. Song Masters – Dances with Dogs & Cujo

e. Haberdasher – Two Bottles

- f. Trail Master – Kaput
- g. Religious Advisor – Meatless & Floppy Dick (Guest appearances are welcome)
- h. Beer Meister – Supot. Please empty your beer before putting it in a crate!
Supot also wanted to clarify that the tall beers go into the tall crates and the shorter ones go into the short crates.

8. Outstation Runs

The outstation run in Subic last year cost us lots of money, we were hoping the Subic hash would do some activities in our neighbourhood but that hasn't happened. A lot of our hashers participates in the Haggis Bash in La Union and misses the Sunday hash. This year we are planning to do an outstation run in Pozorrubio, half way between La Union and Angeles, on the Sunday following the Haggis.

9. Proposals

a. Memorial list – Two Bottles.

The run list contains both living and deceased hashers. I propose that we move the deceased hashers to a new Memorial List for better clarity. Approved!
Floppy Dick will create a new list.

It was proposed the run list should contain both Hash Name and Real name. As we don't know if all hashers wants their name to be published on internet this proposal will be addressed next year.

b. Donations to RSL – Morphine

After discussions the proposal was rejected.

10. Closing of meeting

The Grand Master, Supot, closed the meeting at 15:45 and thanked everyone for their participation.
