1. The Grand Master welcomed everybody and opened the meeting at 16:00.
2. The agenda was approved without changes.

3. Hash Economy

- a. We have increased our funds from 374k peso last year to 436k peso even though the hash fees were lowered. This is mainly because of our sponsors, Ambassador Suites, Barbarinos, NT Realty and Premiere Hotel. Floppy Dick thanked all the sponsors. He also thanked all that have helped him during 2018.
- b. Hash Fees are to remain the same 2019. 300 for men, 150 for harriettes and 100 for kids.

4. The mismanagement committee was elected:

5. The Change of date for the anniversary run to October was approved.

The anniversary run is in the middle of the rainy season. No other kennel has any big event at the same time. Therefor the committee suggests that the anniversary run is moved to October where there is a lower probability of rain. Together with the Subic hash we can also create a full "hash week":

<i>Wed. 17</i>	<i>Bar Hop</i>
<i>Thu. 18</i>	<i>Full Moon</i>
<i>Fri. 19</i>	<i>Monkey Hash</i>
<i>Sat. 20</i>	<i>BEACH</i>
<i>Sun. 21</i>	<i>ACH3 41th Anniversary run</i>
<i>Mon. 22</i>	<i>Subic 26th Anniversary run</i>
<i>Tue. 23</i>	<i>Bundok run Subic</i>

6. Proposals

- a. After discussions it was decided that Virgin hares should have an experienced co-hare.

We had two virgin hares this year that were advised repeatedly by the trail master to get a co-hare, but they refused. IMHO, the trails they came up with could have been excellent but had some big rookie mistakes which we all had to suffer. So I suggest a rule that requires all virgin hares to have an EXPERIENCED co-hare.

- b. Paint and plastic trail markers are in the future not to be used - approved.

We have been making great trails for 40 years without using permanent environmentally unfriendly markers. I think we should continue in this tradition and not use plastic or spray paint for markers.

- c. Dances with Dogs proposal that wine should be available at the on in was not approved.

- d. Sip Sip In's proposal that soft drinks should be available at the on home was answered by the GM:

-We can't carry our soft drink bottles in through the reception of Premiere. But if the ones that wants soft drinks put them into the coolers they will get in. I can't do that as I am securing the truck. You have to do something yourself.

7. The Grand Master closed the meeting and thanked everyone for their participation at 16:23.
