7. Information about our move from Premiere hotel. We can stay until June 30 according to the owner. He said it might be later, but don't count on that.

The search for a new on home continues. Most hashers were happy with O'Garden. There were some small problems but we will have O'Garden as on home again so the problems can be ironed out. Maybe once every month.

8. **Closing of meeting** The Grand Master Supot thanked all participants and closed the meeting at 17:31 – 30 m. (23)
